### When In Greece!

On a recent holiday to Greece my wife Kelly and I had a very horny experience. In the airport lounge we got chatting to a friendly couple, Karen and Tom. It turned out they were staying in a nearby resort to us, so we decided to meet up on the first night and explore the nightlife.

So, we met and went drinking and got on really well.

Kelly told them about her appearances in Escort, and Karen was very curious. She asked all sorts of questions, and seemed to be really interested. By the end of the night we'd agreed to have a photo shoot ourselves the following night.

The next morning we went to the shop and found an old copy of Escort with Kelly in it. We showed it to Karen and Tom, and they had a good look.

A little later Kelly and I returned to the shop to find the two local lads who worked there looking at the same mag.

They were very open, saying they liked Kelly's tits and shaven cunt.

They asked outright if we were doing any more shoots, so we told them they could come along that night if they brought a local girl. "No problem!" they said, smiling.

We met in a bar that night and the seven of us got along great. We took a few sneaky photos in the bar to get going, then went back to our apartment. We set up the video camera and Kelly took her dress off. She started posing in just hold-ups and high heels. With a bit of coaxing the other girls joined in. There we were with three naked girls, four hard cocks, a camera and a video camera. The action kicked off with me fucking Kelly while being videoed and photographed. Then I suggested we swop around. I've never seen so many different condoms appear from nowhere! I fucked Karen and Sophia, the Greek girl, and then it was my turn to video. Kelly was about to have her fantasy fulfilled. She lay on the bed while the three other blokes started on her. One licked her cunt while another sucked her bullet-hard nipples. Lucky Tom got to kneel over by her side and have his cock sucked. Having three cocks and sets of hands exploring her soon had Kelly cumming. Then she ordered them to fuck her one by one.

**1. KELLY**

One of the Greek lads held her legs high while the other one fucked her, Tom still fucking her mouth. Then she took it doggy-style from Tom while sucking on the other two dicks.

Then I got in behind Kelly and put my cock against her arse bud. She leaned back into me, taking my big cock up her tight arse in one go. She got Tom to wank over her face, and just after he came I her face I flooded her arse with my hot cum. After a night of amazing sex, during which everyone fucked everyone, we all showered off the spunk and sweat before having a final drink together and bidding fond farewells.

We are going back in next summer, though – wouldn't you do the same?!

I don't have any photos of Karen and Tom fucking so you'll have to make do with some of my wife Kelly! James, London

# REAL WIFE SEX

Cleanly shaved might just be the way to go!

I've been going out with my current boyfriend, Marcus, for about a year, now. He's absolutely brilliant in bed, but can be quite demanding sometimes.

Fortunately, he's also very attentive to my needs, and loves stroking and touching me. But over the past few weeks he started asking me if I had ever considered shaving my pubic hair. I've always had quite thick pubes, but it had never even crossed my mind before.

Men always seemed more interested in the rest of my body, particularly my boobs (definitely my best feature), which are quite large at 32D, and don't sag an inch.

Marcus has certainly had his fair share of fun with them, and I'd always thought he was a tit man. But his

interest in my pubes has certainly caused one or two discussions! Marcus told me that my bush covered my fanny completely, and that getting the odd flash of my pussy

as I walked around the bedroom or whatever was quite a turn-on for him.

So, last weekend while Marcus was out shopping, I got up and ran myself a bath. As I'd already bought a new razor, the next step was to trim my pussy.

Until I sat down cross-legged with the mirror between my legs and a pair of small scissors, I didn't realise just how hairy I actually was down there. No wonder Marcus wanted me to shave; I'd really let things go! Snipping away at the mass of

hair

between my legs took longer than I thought it would, and once I was finished, I knew I'd reached the point of no return. After a long, leisurely soak in the bath, I sat on the edge of the tub and rubbed foam into my stubble. Then, taking a deep breath, I ran the razor over my pubic mound and looked at the bare, pale skin it revealed.

Wow. After a few strokes, I began to get into the swing of things, to the point where I enjoyed watching my pussy skin slowly emerge from the dark, stubbly forest.

After a few minutes, my pubic triangle had vanished, and I inspected my handiwork.

Contrary to what I'd always thought, my pussy lips were actually quite small and neat, and I was quite excited by the view I now had. I was finally beginning to understand what Marcus was going on about. Unfortunately, I now had to try and shave the area between my pussy and bum hole, which proved to be a lot trickier than I'd thought! Razors aren't really designed to fit into cracks like

that, and I ended up standing with one foot on the bath and one on the floor with my head virtually between my legs so I could see what I was doing.

After a few strokes, I reached behind myself to check there were no stray hairs.

The skin was incredibly sensitive, and I couldn't help but slip a finger between my pussy lips and into my surprisingly wet hole. A few splashes of bath water later, and I was completely clean shaven.

I stood in front of the full mirror in the bedroom to get a better view. My tan might have faded, but my bikini line was still whiter than the surrounding skin. I turned around and bent at the waist with my arse towards the mirror, and inspected my cunt and bum. It sounds vain, but just looking at my freshly shaven pussy made me horny. I slipped a hand between my legs from behind, still watching myself, and opened my pussy lips up. Seeing myself like this was like looking at another woman, and I'll admit that I found it quite kinky. My juices glistened inside my fanny, and my forefinger wormed its way inside and slipped deep into my hole. I felt like a filthy lesbian voyeur doing this!

I used my fingers on my shaven snatch, rubbing my clit with my thumb. My genitals were incredibly sensitive, and just stroking my swollen nub brought me teetering to the brink of orgasm.

Watching my bare cunt in the mirror as I finger-fucked myself finally sent me over the edge, and I came harder than I had done on my own for absolutely ages.

When Marcus let himself in, that's exactly how he found me: lying naked on the bed, my bare pussy exposed to his gaze the moment he walked in the door. He didn't even speak; he just stripped off and buried his face in my wet mound.

The sensation of his tongue rasping across my skin was just incredible, and when Marcus started licking me from my bum hole up to my clit, I was in heaven. I must have cum on his face three times before I had to beg for mercy! The skin was so sensitive that I was on an 'orgasm plateau', and the slightest movement of his tongue on my clit was enough to make my legs shake!

I rolled over on the bed and eased a pillow under my tummy, raising my bottom and opening my legs to him. Marcus straddled me, and as he

took his weight on his hands on either side of me, I felt his cock head pressing against the entrance to my slippery hole. It was hot and hard, completely different to the way it normally felt when it was cushioned by my pubes. I came the moment his prick stretched my pussy open, and kept cumming as Marcus fucked me in long, slow strokes. When he started to increase his speed, I had to ask him to stop. I just couldn't take any more.

Disappointed, Marcus rolled off, but I had a better idea. "Wank yourself off over my shaven cunt and arsehole," I instructed him, dirtily. He grinned, and moved back between my legs. I could just about see him in the big mirror, his fist pumping on his meat as he knelt between my thighs.

I reached behind me and pulled my arse cheeks apart, so that he could aim for my most private parts. It didn't take him long.

I heard him grunt, then felt the impact of his spunk against my bum hole followed by it trickling down my crack and over my pussy lips. I felt like a real slut, and wanted to prove it to Marcus, so I reached down and scooped up a few dollops of his cum and then sucked my fingers clean.

Needless to say, I haven't let my pubes grow back since then, although it did take a day or so for my pussy to settle down so that we could fuck properly!

## It's Dildo Time!

I woke up early one morning feeling very horny, so I decided to get out my toys and have a good wanking session.

I pulled the bedclothes back and spread my legs wide. I was in the middle of giving myself a good seeing-to when I heard something at the window.

It was the window cleaner! I had forgotten all about him coming round that day. As I hadn't closed the curtains he got a good view of me with a big dildo inside my cunt. It was too late to try and hide what I was doing, and besides it made me feel horny to know he was watching me, so I decided to put on a bit of a show.

I have several dildos and vibrators of varying shapes and sizes.

Starting with the smallest, I used each of them for a short while.

The smallest one got me wide and made my pussy lips part like the petals of a flower. I worked through four more in turn, ending up with my biggest fuck barrel sending shock waves through my pussy, making me bite my lip with ecstasy and swirl my big boobies up towards my mouth where my tongue flickered out to meet my oh-so-sensitive nipples. This made me quite wet, and the poor window cleaner nearly fell off his ladder. I thought he had been out

## CONTACT ME

there long enough so I waved for him to come in.

I went downstairs and opened the front door. He was standing there with a big, mouth-watering bulge in his trousers.

His name was Steve, he was in his late twenties and was quite tanned. He followed me upstairs and I could feel his eyes on my arse as I walked in front of him.

When I got near the top his hand reached between my legs and felt my wet pussy. He told me I was a very sexy lady and he would love to lick my sexy juices.

In the bedroom I lay on the bed and he picked up a vibrator with a cheeky grin on his face. "Who's been a naughty girl, then?" he asked. He pushed the vibrator inside me and switched it on. As it

vibrated within me he slowly began to pump it. On each inward stroke, some of my flowing juices spilled out onto his hand.

Steve began to pump it harder and the more he did so, the more juice splashed out of me.

Then he took all his clothes off and his eight-inch dick stood to attention. I reached out and took hold of it. It was so thick my fingers didn't fit all the way around it. I sucked his cock until Steve said he was about to cum. I moved my head away so he could cum all over my face. After he'd coated me I cleaned my face with my fingers and then licked them clean.

While we waited for his cock to get hard again Steve used that really big dildo on me. He gently eased the monster inside me and I had to spread my legs very wide.

As soon as Steve was hard again he pulled the dildo out and replaced it with his cock. He was surprised that my pussy wasn't baggy after having such a large dildo up. He told me he wanted to take me doggy style. I turned round and he held me by the waist as he forced his rampant cock into my dripping cunt.

I screamed with each stroke

"It's never been a problem for me, if I want a quick fuck I just slip my gusset to one side and allow instant access to the goods!"

April was so keen to get going that we just went ahead and started the photo shoot in the makeup room before she could even get fully dressed. "I'm the kind of girl that likes to jump straight into things. It's the same with sex, I'm not interested in foreplay, forget all of that kissing and touching stuff, just stick your dick in me and fuck me until I cum! I do like it when the guy holds on a bit longer than me and finishes off by pulling out and spunking in my mouth and over my face." You really are every mans dream!

Welcome to this month's Star Wife Ellie! "This is my wife's first time in a top shelf magazine. We've been wanting to do it for ages and we hope you like them. Any feedback would be great!"

up me!" I shouted, desperate to feel his cock inside me. He grabbed hold of my hips and sunk his dick inside me to the hilt.

I gasped as he entered me and started pumping straight away. He swung me round so I was now facing the mirror and watching him drive into me from behind. Next, I got him on his back and impaled myself on his cock, facing the mirror. I watched myself riding him, imagining I was in a porno. My jugs jiggled around as I bucked away madly, increasing my pace as I came again and showered his nuts in juice. I jumped off him and licked his balls and cock, savouring my sweet pussy juice.

"I want to fuck you up the arse!" he told me. We both love anal sex and I knew I was going to get my arse fucked good and proper. I bent over the bed and spread my arse cheeks wide. Matt smeared some cunt juice over my arsehole and fingered my arse to get it ready. Then he nudged his straining cock against my puckered arsehole and I backed slowly

and the louder I screamed, the harder Steve fucked me. He said he was going to cum and I told him I wanted his juice inside me. I could feel him throbbing as he came. Now I get my windows done weekly for free!

## MY WAY!

My name is Freya and I'm a 19-yearold girl with a very high sex drive. I have often fantasised about appearing in a porno mag, and I've sent a rude letter to accompany my pictures. Whenever I'm looking at porno mags my favourite bits are always the letters. Hopefully readers will wank as they look at my photos and read my dirty story! My boyfriend Matt and I are just as horny as me so we are constantly all over each other. We fuck as often as we can in as many different positions and places as possible. One time we were staying

at his parents' house because we were going to a wedding the next day. We'd been playing footsy under the table at dinner and we were both really horny. His mum and dad said they were going to pick up his sister from her dance class. As soon as they were out the door I had Matt's cock out and I was taking it down my throat. He'd been nursing a hard-on for so long that he was ready to cum almost straight away. I bobbed my mouth over his helmet and wanked his shaft, making him shoot his load. His thick cum flowed down my throat and dribbled down my chin. I swallowed it all and licked his cock and balls clean before leading him upstairs. We went into his parents' bedroom. They have a mirrored wardrobe running down one wall and we wanted to watch ourselves fucking. Also it felt naughty to fuck in his parents' bed. I lay on the bed and he

was giving my cunt a noisy seeing to with his thrusting tongue. I writhed in ecstasy as I came for the first time.

His cock was growing as I worked on it with my mouth. I nibbled at his balls as he slid his cock between my tits and started fucking them. Then I wriggled out from underneath him and got on all fours on the bed. He got in behind me and jabbed his tongue hungrily into my juicy pussy.

I looked in across at the mirror and saw the fucking horny sight of my boyfriend licking me out from behind. He was reaching forward to rub my swinging tits and tweak my nipples as he plated me.

Then I saw him pull back from my pussy and bring his cock up into play. He positioned it just at the entrance to my cunt and then looked across at me in the mirror.

He asked me if I wanted a good fucking. "Yes, stick it

onto him.

Between us we gradually worked his cock ball-deep into my arse. Then I gently began rocking back and forth, working up a rhythm.

He matched my rhythm and started pumping me, fucking my arse hard. I looked over my shoulder and in the mirror I saw him stretching my tight little arsehole and working up a sweat.

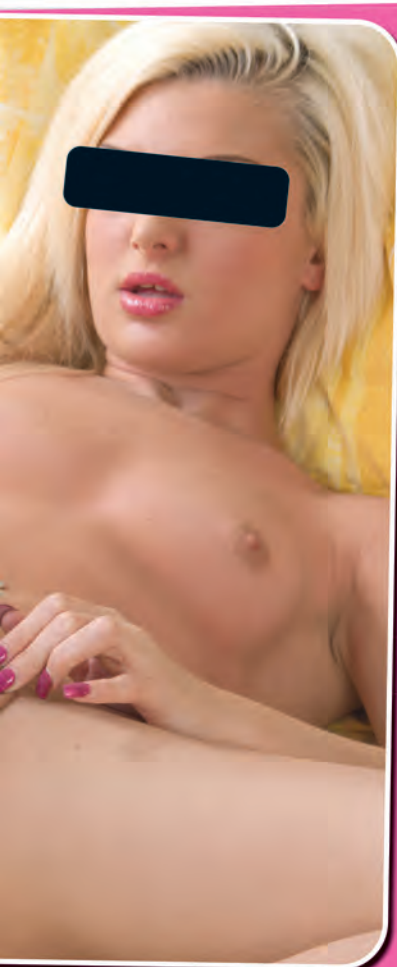

I could feel a tremendous orgasm building up and I told him to fuck me hard, fast and deep. He was thrusting frantically when I came, my arse clamping down on his big fat cock.

Matt loves to cum in my mouth, so when my orgasm had receded he pulled out of my arse and told me to kneel down in front of him.

I did as I was told, kneeling in front of the mirror. He was wanking himself off, staring at me, and I opened my mouth in readiness for his salty offering.

Sure enough he came, showering my throat, lips and mouth with hot creamy cum. I turned my eyes to the mirror as he gave me my creamy facial, again imagining I was a porn star.
